From: Santhosh, Government press colony, Hyderabad, India, June 29, 2019.

To: HonourableJudge Gershwin A. Drain, United States District Court, 231 Lafayette Blvd, Detroit, MI 48226.

Subject: letter to the judge in connection with Santosh Sama sentencing.

Dear judge Drain,

I am G Santhosh Kumar S/0 G Narsimha Rao Resident of Home No: 17-1-382/P/102 government press colony, Champapet, Saidabad, Hyderabad 500059. Bearing an Aadhar number 3276 8693 9659. Writing you to explain my acquaintance with Santosh Sama and his family in the hopes that will help you to see what kind of person Santosh is, despite the transgressions that led us all at this point.

My relation to Santosh as a best friend and his family formed since my childhood as we used to live in the same community behind their house located at government press colony Hyderabad I have known Santosh Sama a good friend and neighbour for over 28 years. I was both troubled and surprised to hear about his recent case as he has always been a rather solid person I understand the seriousness of this matter however, hope the court will show as one factor in your fair decision at the time of sentencing to some leniency.

Santosh has always been an upright character in the community. In our friendship he has really been there for me, especially when the company I worked for closed. He made it a point to be there and show a significant amount of support during a sudden and arduous job search. It was Santosh that was a source of camaraderie for both me and my family. He has truly been a good friend over the years.

In addition to our friendship, he is a usually upstanding member in the neighbourhood. Santosh has been a peer of mine since my elementary school, and were classmates for few years in higher education. In those years, he was always respectful of everyone teachers, classmates, friends and girls all alike. He is one of those people that no one has a problem with, and is pretty much good at everything. we all know he'd be a good family man for the care and affection towards family he has as he is the only strength to them after losing their father at the early ages, and in deep love with wife too as she also loves him to the core. His family is a very respectable family in town. I know all his sisters who are elder to him, as I also treat them as my sisters. They all seem like such good kids brought up by more difficulties made them grounded.

It's pretty frustrating to see the light that people are putting him in now. Which we couldn't believe knowing him personally and professionally about his honesty and loyalty. Santosh has always been there for me and my family willing to lend a hand with everything from fixing a transport to studying for tests. I honestly don't think I would have gotten through

intermediate education without him. He was always available for every help he could do, to all needed and believes in values like individuality and freedom. While it is unfortunate that he has made some bad decisions unknowingly by trusting people deeply assuming everyone are kind and open hearted same like him, thus resulting in this case.

I can tell you without doubt that Santosh Sama is incredibly remorseful for what had happened unintentionally, had expressed this to memany times and he is really upset and has been under tremendous stress to his wife and mother treatment and was struggling to take care of them. I believe it has been reflected in Santosh's efforts to make amends to the court.

Thanking you for taking time to read my letter. Itis my sincere hope the court takes this letter into consideration at the time of sentencing. Despite this case understand that Santosh is the kind of person about whom people love him more for his trustworthy and kind hearted nature, and I hope that you will give an opportunity for a chance to Santosh while you make a fair decision.

Thank you,

Yours Faithfully,

My name is Sama Mahender Reddy S/O Sama Kishta Reddy resident of Home No: 17-1382/P/17 Government Press Colony bearing an Aadhar number 5166 8760 8357. I know Santosh Sama over 29 years from the day he was born. I have been a long relative, family friend and neighbour to his father, family and him at press colony Hyderabad since 46 years. I am aware of his current situation and I assure you it is out of character for him. I am also aware of his family history with his father's passing at young age and his recent marriage and her health issues that cannot be dealt with until he returns home to India

He takes care of the family since after his father passing away from the young age he struggled a lot, supported to his mother with his working for part time in the evenings after his college hours and took the responsibilities of family of his mother and her health, he took care of his three sisters brought up, providing them education helped them to do settle and getting them married to valuable families, which made him a responsible and capable person at the young age itself.

Santosh and I would spend quality time together as he was the child grown up in front of our eyes with all our love ,he was always being available to everyone by participating in all events happens in welfare association.

I strongly remember an incident a day in the locality one of our friends of colony, of my age was suffering from a severe disease of kidney to which their family cannot afford to meet even medical expenses, understanding their pain as they also experienced bitter times, Santosh helped them with a month salary of he worked for part time to meet his expenses and support his mother. That family was very thankful to Santosh and us for the help we initiated. There are many such incidents in which Santosh stood to helped others.

He has embraced religion and family in the hopes of starting his own family soon. Santosh is like a son to me along with my two sons for the affection and values he has to the relations and people. He took care of my wife and children as mother and brothers by taking them to hospital as my small son was severely suffering from viral fever when I am out of station on my business work, he was been completely available to them for the help, providing facilities near hospital to which I, my wife and sons are very thankful to his helping nature.

I strongly believe that the current situation Santosh undergoing is truly unfortunate happened unknowingly without his intention for which he lost all his character, family life, time, respect he earned from childhood in our motherland.

Thank you for taking time to read my letter. Sir I sincerely request you to consider my words and save his career and life of a girl who is in lot of problems to her survival here without her husband and earn her living which is too hard to her now suddenly as she was completely dependent on him, and he is too young to see life and learn a lot to do settle his life to take care of his wife and mother as he is the only source of his family.

I fully believe that the positive attitude Santosh brings to family and everywhere is directly related to being a great son, husband, brother and friend is exhibitive every day in how he conducts himself.

Thank you, Yours sincerely,

Subject: letter to the judge in connection with Santosh Sama sentencing.

Dear Judge Drain,

I am P.Vijay Kumar S/O Chittaraiah a retired employee of Geological Survey of India and resident of home number 17-1-382/P/119 Government Press Colony Champapet, Saidabad, Hyderabad 500059. Acting as the Treasurer to Government Press Colony Residents Welfare Association located in Champapet Hyderabad. I and colony association members are in deep shock after the news heard about Santosh Sama and his present situation he is experiencing is unimaginable which is out of his character.

I have had the pleasure of knowing Santosh Reddy Sama for twenty nine years and his family since forty five years. During these years of acquaintance, I have known Santosh in many capacities.

Santosh father Mr late Janardhan Reddy Sama is a good friend of mine who served for state in department of police in Telangana now then Andhra Pradesh but lost him at early age in the year 1996 from then his family faced many difficulties to survive. They used to live with the little pension help provided by government and Earnings of Santosh part-time work from young age in evenings after college hours to meet their expenses and necessaries of family of mother and 3 sisters as he is the only man source of the family which made him respected and responsible person at very young age.

He used to take care of his mother and sisters by providing them education and helping them to settle in better positions in the society and in getting them married.

Sama Santosh used to participate in various social welfare activities conducted by our colony by organising blood donation camps, planting trees in the name of Haritha Haram, serving orphan and old age homes and conducted many education programs to provide awareness on personality development and importance of education to poor students which helps them to be in right path.

He was active participant in organising health camps like eye check-ups diabetics check-ups, text book distribution for students by the colony association and front on his feet to help elders.

He also used to spread the knowledge of cleanliness and proper usage of water advising people to dig and make rain harvesting holes to save rainwater and which can increase ground water level in every house. He always used to share ideas which help people to live in and maintain a better society.

I honestly convey Santosh is active, dedicated, capable of the responsibilities he committed towards family as well as society as we see him from his birth and brought up in front of us with a good character.

I am aware of current situation of Santosh is undergoing there which I strongly believe that it is out of his character and his family character. He is also like a son to me as he has grown up playing with my children in our hands.

Whatever sorrow he is facing there is not only effecting him but led to severe health issues and heart problems to his mother who is already a patient and to his wife which is hardest and tough time she is experiencing without him.

Thankyou for taking time to read my letter. I sincerely request you and concerned authorities of USA government to consider our word and give him a chance and release him to save the lifes of his wife and mother.

Thanking you, Yours faithfully,
